

## A Study trip to IIM Bangalore

Students of 3<sup>rd</sup> semester MBA of PESCE ,Mandya visited the Indian Institute of Management, Bangalore as a study tour on 17<sup>th</sup> of October 2019, Under the guidance of Dr. Kiran Kumar AC and Dr. Mahesh AS. We were privileged to visit the Campus, classrooms, library, discussion rooms, auditorium etc.,

**Indian Institute of Management (IIM) Bangalore established since 1973**, is an Autonomous Business School and it works under the guidelines of the Ministry of Human Resource and Development, Government of India. It offers many postgraduate and Doctoral Programs in Management. Admission for all courses done on the basis of National Level entrance exams like CAT/ GRE/ GMAT/ NET. IIM Bangalore also conducts entrance test for doctoral programs. For NRI students institute accepts GMAT Scores.

Campus spread across a boundary of 100acres near Bannerghatta Road, Bangalore-560076, Karnataka,India. The current campus was designed by Pritzker prize winning architect B. V. Doshi and was completed in 1983. IIMB is known for its unique all-stone architecture and lush woods. IIMB to set up its second campus on the outskirts of the city near Jigani in Anekal.

The library is housed in a 55,000 square feet complex consisting of four floors. This fully automated state of art facility consists of about 235,000 documents and books apart from 85,000

journals are available for reference. The library also subscribes to 27 newspapers and more than 200 newsletters.

The Auditorium is situated within the academic blocks. It has a seating capacity of 500 people and plays host to various events, functions and guest lectures held at the institute.

The institute has a 24-hour Internet connectivity with 600+ PCs and workstations. The campus is also fully WiFi enabled.

Nadathur S. Raghavan Centre for Entrepreneurial Learning (NSRCEL) was set up in 2002 to aid the entrepreneurial activities at IIMB. The centre acts as an incubator for new business ideas. It is a vibrant ecosystem of industry experts, mentors, researchers, and academicians aimed at providing incubation to early-stage ventures across various stages, sectors, and scope.

More than 100 companies across the globe visit the campus every year for summers and final placements. The placement processes are governed by the Career Development Services and facilitated by the Placement Committee.

with its unique architecture ,the classroom block connects and communicates with the students in a way which will create a lasting impression in their journey of life. The primary design intent of the classroom block was to strike a chord with the existing campus. The existing columns were strengthened and some new columns were added along the periphery of the proposed building without obstructing the existing building. The program for the new classroom block was 8 classrooms, discussion rooms and its ancillaries.

These were few of our observations during this short period visit to IIM Bangalore.
